

Genoa, 22nd July 2016

Reporting to the public

Ansaldo STS SpA, following its previous press releases on 15 and 18 July 2016, announces that it filed with the President of the Court of Genoa a petition to overrule the decree, dated 14 - 15 July 2016, by which Mr. Alessandro Barca was appointed special attorney, pursuant to art. 78 cpc.

The Company maintains that the decree is void because it has been issued without hearing the counter-party and must be overruled because there is no conflict of interests according to art. 78 cpc.

If the decree is not overruled by the President, the Company will seek other remedies provided by law to obtain its voidance.
