Launch of the share buyback programme aimed at servicing the management incentive plans approved by the Company

Ansaldo STS has launched the share buyback programme implementing the resolution approved by the ordinary shareholders' meeting held on 6 May 2013, which granted a new authorisation to purchase own shares, aimed at servicing, *inter alia*, the share incentive plans approved by the Company. This resolution authorises Ansaldo STS to purchase own shares up to the maximum amount allowed by law, taking into account the own shares already held by the Company and its subsidiaries. In light of the limits set out in the above-mentioned shareholders' resolution of 6 May 2013 approving the buyback, the programme shall be carried out in accordance with the following terms:

- the maximum number of shares to be purchased is equal to the maximum number allowed by law, taking into account the maximum number of shares that may be granted to the recipients of the share incentive plans approved by the Company, as described in the relevant Information Documents available on the Company's website; the share purchases will be carried out under the price conditions set out in article 5, paragraph 1, of European Commission Regulation (EC) no. 2273/2003 of 22 December 2003. Specifically, this article provides that the issuer must not buy the shares for a price that is higher than the higher price between the price of the latest independent transaction and the price of the current highest independent bid price on the Italian stock exchange managed by Borsa Italiana SpA. All purchases must also be
